6		Please use this sheet to report results for our website		
7		Include at least the top 10 finishers		
8		List itemized scores for each team vs team		
9		This helps with verifying scores and win/loss records		
10		This sheet can also be used to email/fax results to papers		
11		Save two sheets: one for boys and one for girls		
12				
13		I would like results ASAP - Tuesday night or Wednesday		
14		Thanks for your help with this.
